devices.  
Equipment with speakers is particularly susceptible to interference.  
**Do not use your device in places that may be interfered by radio frequency such as hospitals, airplanes or cars**  
If possible, use the device beyond 37cm of the pacemaker to avoid interference with the pacemaker.  
In order to minimize the interference of the device to the pacemaker, please use the device on the side of opposite to the pacemaker.  
If you use medical equipment, please contact the medical equipment manufacturer before using the device to determine whether it will be affected by the radio frequency emitted by this device.  
During air flight, the use of electronic equipment will interfere with the airplane's electronic navigator. Follow the airline's regulations and the instructions of the "aircraft crew. If the equipment is allowed, please always use the flight mode."  
The electronic equipment of the car may malfunction due to radio interference from the equipment. For details, please contact the manufacturer.  
**Do not place the device in a place with dense smoke or fog**  
Otherwise, the surface of the device may be damaged or the device may malfunction.  
If you use hearing aids and cochlear implants, please contact the manufacturer for information about radio interference.  
The radio frequencies emitted by this device may interfere with certain hearing aids and cochlear implants. Before using this equipment, please contact the manufacturer to determine whether the

wireless device.  
In order to avoid danger, pause the call in traffic jams or bad weather conditions (rain, sleet, snow, ice).  
Rain and sleet, snow, ice and heavy traffic can cause danger.  
Do not record voice memos. Recording a language memo while driving prevents you from focusing on the primary responsibility of driving safely.  
According to the traffic situation, decide whether to answer the call reasonably. Answer calls when not moving forward or in traffic jams. Try to call after parking.  
Do not engage in nervous or excited conversations to avoid distraction. Please let the caller know that you are driving.  
Properly maintain and use equipment  
**Keep the equipment dry**  
Moisture and liquid can damage equipment parts or circuits.  
Do not turn on the device when it is wet. If the device is turned on, turn it off (if the device cannot be turned off, please maintain the status quo). Then dry the equipment with a towel and contact the local MOONDROP service center.  
Water damage to the equipment will invalidate the manufacturer's warranty. This equipment is equipped with a built-in liquid indicator.  
**The device should be stored on a flat ground. If the device falls, it will be damaged.**  
The device can be used where the atmosphere temperature is between 0°C and 35°C. You can store the device where the ambient temperature is between -20 °C and 50 °C. Using or storing the device outside

the recommended temperature range may cause damage to the device or shorten battery life  
Do not store the device in extremely hot areas, such as in a car in summer, otherwise, the equipment may be damaged or the battery may explode.  
Do not expose the device to direct sunlight for a long time, such as on the dashboard of a car. Do not store the device with metal objects such as coins, keys and necklaces.  
The device may be scratched or malfunction.  
If the battery contacts come in contact with metal objects, it may cause a fire.  
**Do not store the device near magnetic fields**  
When exposed to a magnetic field, the device may malfunction or the battery may discharge.  
Magnetic stripe cards (including credit cards, phone cards, bank books and boarding cards) may be damaged by magnetic fields. Avoid contact with the device when it is overheated. Otherwise it may cause low temperature burns, redness and skin pigmentation  
After using the device for a long time, pay attention to the heating of the device and avoid contact with the skin for too long.  
Do not sit on the device, or keep in direct contact with your skin for a long time while the device is charging or connected to the power source.  
High temperature resistance varies from person to person. Please pay special attention when using it by children, the elderly. Protect hearing and ears when using earplugs  
Excessive exposure to strong sounds can cause hearing loss.  
Contact with strong sounds while walking may distract you and cause accidents.

#### Security Instructions

13

Always turn down the volume before using earplugs, and use only the lowest volume required to listen to conversations or music.  
If there are foreign objects on the earplugs, and you wear the earplugs for a long time, it may cause ear infections. Please keep the earplugs dry and clean.  
In a dry environment, static electricity may accumulate in the earplugs. Avoid using this earplug in a dry environment, or touch metal objects to discharge static electricity before using the earplug.  
Do not use headphones while driving or riding a horse. Otherwise, it may distract you and cause accidents. Depending on your area, this may also be illegal.  
**Precautions for using the device during walking or moving.**  
Always pay attention to your surroundings to avoid harming yourself or others.  
**Do not paint or paste paper on the equipment**  
If you are allergic to the paint or metal parts of the device, it may cause itching, eczema or swelling of the skin. When the above situation occurs, please stop using the device and consult a doctor.  
**Install the device cautiously**  
Do not place equipment and accessories in or near the airbag deployment area. If the equipment is improperly placed, the airbag inflates rapidly, which can cause serious injury.  
**Do not drop the device or cause collision**  
The device may be damaged or malfunction.  
If the device is bent or deformed, it may damage the equipment or cause parts malfunction.

#### Security Instructions

14

Ensure the longest service life of the battery and charger  
If the battery is not used for a long time, the battery may malfunction.  
The equipment will discharge if left unused for a long time, and must be recharged before use.  
When the equipment is not in use, disconnect the power supply.  
The battery can only be used for the designated purpose.  
Follow all the instructions in this manual to ensure the longest service life of the device and battery. The manufacturer will not provide warranty for damage or poor performance caused by failure to follow the warnings and instructions.  
The equipment may wear out over time. Although some parts and repairs are guaranteed during the validity period, damage or deformation caused by the use of unapproved accessories is not covered by the warranty.  
**Do not disassemble, modify or repair the equipment**  
Any changes or modifications to the equipment will cause the manufacturer to not guarantee the equipment. For repairing, please contact your local MOONDROP authorized dealer.  
Do not disassemble or pierce the equipment, as this may cause an electric shock.  
Do not disassemble or reuse the battery.  
**When cleaning the equipment, please follow the following advices**  
Use a soft and dry cloth to wipe the device, use a brush or other tools to remove the earwax or dirt on the earpiece.  
Clean the battery contacts with a dry cloth.

#### Security Instructions

15

Do not use chemicals or cleaning agents. Otherwise, the surface of the equipment may be discolored or corroded, and it may also cause electric shock or fire.  
Prevent the equipment from contact with dust, sweat, ink, oil, and chemical products (such as cosmetics, antibacterial sprays, hand sanitizers, detergents and insecticides). Otherwise, the internal and external parts of the device may be damaged, or the performance may deteriorate. If the device comes into contact with any of the above-mentioned substances, please wipe it with a soft, lint-free cloth.  
**Do not use the device for any purpose other than the designated purpose**  
The device may malfunction.  
Avoid disturbing others when using the device in public places  
**Only qualified personnel are allowed to repair the device**  
If the equipment is repaired by unqualified personnel, the equipment may be damaged and the warranty will not be provided.  
**Do not distribute copyrighted content**  
Do not distribute copyrighted material without the permission of the content owner. This behavior violated copyright law. The manufacturer is not responsible for any legal problems caused by any illegal actions by users against copyrighted content.
