After-sales warranty terms

If this product has a non-man-caused failure from the date of shipment, it can enjoy 7 days of return, 15 days of replacement, and 12 months of free maintenance service. If the damage is caused due to improper use, paid repair service will be provided depending on the condition.

If this device is damaged and meets the warranty conditions, please contact the seller to return it under the guidance of the seller by completing the device after-sales list, and attaching it to this device, package, and purchase receipt.

· This device is a precise electronic product, please avoid putting it in damp, dust, and high/low temperature as well as avoid pulling, collision, and squeezing, to prevent unnecessary damage, which doesn't enjoy 7 days exchange and 1-year free repair.

· Cable breakage, shell deformation, water damage, dust, corrosion or pins broke, tuning material, and unit damage, are out of warranty.

· If the repair can not be provided due to product upgrades within the warranty, we will provide replacement service depending on the condition, and won't enjoy the warranty after replacement.

· If the product has expired the warranty period, and due to product replacement, our company may not be able to provide repair service.

· We will not be able to provide repair service if the device shell or core parts are seriously deformed due to external force.

· The after-sales service period is generally 7-20 days (excluding transportation time), depending on the repair department.

· About warranty of repair/replacement:

If confirming that the product issue is of the quality-built after getting the quality inspections by MOONDROP after-service, it will get repaired/replaced, at that time, the remaining warranty period will be prolonged to 60 days if it is less than or equal to 60 days; Meanwhile, it will be counted according to the original warranty period if the remaining warranty period more than 60 days.
